

The Green Heroes Adventure

Instructions: Fill in the blanks with the type of word indicated in parentheses. Then read the story aloud for some eco-friendly fun!

Once upon a time in the town of _____ (**silly name**), there were three eco-heroes named _____ (**name**), _____ (**name**), and _____ (**name**). They had a mission to make the world a better place by recycling, reusing, and composting.

One day, they found a _____ (**adjective**) piece of _____ (**noun**) in the park. "We should _____ (**verb**) this instead of throwing it away," said _____ (**first hero's name**). So they _____ (**past tense verb**) it into something completely new: a _____ (**adjective**) _____ (**noun**)!

Next, they came across an old _____ (**noun**) that someone was going to throw away. "Why not _____ (**verb**) it instead?" asked _____ (**second hero's name**). They turned it into a _____ (**adjective**) _____ (**noun**) that everyone could use.

Later, they found a pile of _____ (**plural noun**) in the yard. "Let's _____ (**verb**) these into compost to help our garden grow!" exclaimed _____ (**third hero's name**). They used the _____ (**plural noun**) to make the soil _____ (**adjective**) and full of _____ (**plural noun**).

Thanks to the efforts of our green heroes, the town of _____ (**silly name**) became the most _____ (**adjective**) place on Earth. And they all lived _____ (**adverb**) ever after.

The End

Adjective = describing word (beautiful, silly, small)

Verb = action word
